

INDEPENDENT AUDITOR'S REPORT

To The Members of GMR Hyderabad Aviation SEZ Limited.

Report on the Ind AS Financial Statements

Opinion

1. We have audited the accompanying Ind AS financial statements of **GMR Hyderabad Aviation SEZ Limited** (the "Company"), which comprise the Balance Sheet as at 31st March, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Statement of cashflows for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information. (hereinafter referred to as "Ind AS financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements for the year ended 31st March, 2019 give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at 31st March, 2019, and its loss, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion:

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter Paragraph

4. We draw attention to the Note 31(i) to the Ind AS Financial Statements regarding the recoverability of dues from GMR Aerospace Engineering Limited (GAEL), wholly owned subsidiary of the Company's holding company, M/S GMR Hyderabad International

2nd Floor, 'Khivraj Mansion', No.10/2, Kasturba Road, Bengaluru - 560001

Contact no: 8867441507, email: hitesh@ksrao.in

Head office: Hyderabad; Branches: Chennai and Vijayawada.

Airport and GMR Aero Technic Limited (GATL), which is a wholly owned subsidiary of GAEL. The total dues of the Company as at 31st March, 2019 includes Rs.5,689.50/- Lakhs (31st March, 2018 Rs. 4,938.66/- Lakhs) from GAEL and GATL. Out of the above dues from GAEL and GATL, an amount of Rs.5,184.61/- Lakhs (31st March, 2018 Rs. 4,424.06/- Lakhs) is outstanding for more than six months. GATL networth as well as cumulative net worth of GAEL and GATL as at 31st March, 2019 has been fully eroded. Considering the nature of business of GATL and based on the business projections and contracts with Customer, management is confident that revenues of GATL and GAEL will improve, and the Company will be able to recover its dues. Further, GHIAL has committed the support to GAEL and GATL in meeting its operational and financial obligations. Based on business projections and contracts entered by the GATL with its customers and support letter from GHIAL, the management has considered its dues from GAEL and GATL are good of recovery and as such no provision has been made in the books of account.

Our Opinion is not Qualified on the above said matter

Information Other than the Financial Statements and Auditor's Report Thereon

5. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Ind AS Financial Statements:

6. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes

maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

7. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
8. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS Financial Statements:

9. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
10. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - (i) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- (ii) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - (iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - (iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - (v) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
11. Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.
12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

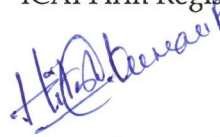

Report on Other Legal and Regulatory Requirements:

14. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub section (11) of section 143 of the Companies Act, 2013, we give in "Annexure - A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
15. As required by Section 143(3) of the Act, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss (Including Other Comprehensive Income), Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e) On the basis of written representations received from the directors as on 31st March 2019 taken on record by the board of directors, none of the directors are disqualified as on 31st March, 2019 from being appointed as directors in terms of section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financials controls with reference to financial statements.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements – (Refer Note 35 of the Ind AS financial statements).

- ii. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses;
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure - A to the Independent Auditors' Report

The Annexure referred to in Independent Auditors' Report to the members of the Company on the Ind AS financial statements for the year ended 31st March, 2019 we report that:

- (i) In respect of the Company's fixed assets (Property, Plant and Equipment)
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets (Property, Plant and Equipment).
 - (b) The Management has not conducted any physical verification of fixed assets (Property, Plant and Equipment) during the year. However, the Company has the program of physical verification of fixed assets (Property, Plant and Equipment) at reasonable intervals of time and to deal with material discrepancies identified on such verification.
 - (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company. In respect of immovable properties been taken on lease and disclosed as property, plant and equipment in the Ind AS financial statements, the lease agreements are in the name of the company.
- (ii) The activities of the Company did not involve purchase of inventory and sale of goods during the year and accordingly Clause (ii) of the paragraph 3 of the Order is not applicable to the Company for the year.
- (iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured, to any company, firm, Limited Liability Partnership or other parties listed in the register maintained under section 189 of the Companies Act, 2013 ('the Act'). Accordingly, clauses from (iii) (a) to (iii) (c) of paragraph 3 of the Order is not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, the Company has no loans, investments, guarantee and security which meets the requirements of section 185 and 186 of the Act.
- (v) According to the information and explanations given to us, the Company has not accepted deposits and does not have any unclaimed deposits within the meaning of Section 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of the clause 3 (v) of the Order are not applicable.
- (vi) The Central Government has not prescribed the maintenance of cost records under section 148(1) of the Act, for any of the services rendered by the Company.

- (vii) a) According to the information and explanations given to us and according to the records as produced and examined by us, in our opinion, the Company is regular in depositing with appropriate authorities the undisputed statutory dues including income tax, sales tax, service tax, value added tax, goods and service tax, customs duty, excise duty, cess and other statutory dues applicable to it and there are no arrears of outstanding statutory dues as at 31st March, 2019 for a period of more than six months from date they become payable.
- b) According to the information and explanations given to us, there are no dues in respect of income tax, sales tax, service tax, value added tax, goods and service tax, customs duty, excise duty, cess which have not been deposited on account of dispute.
- (viii) According to the information and explanations given by the management, we are of the opinion that the Company has not defaulted in repayment of dues to a financial institution, bank and government. The Company has not issued any debentures during the year and does not have any outstanding dues in respect of debenture holders.
- (ix) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Accordingly, paragraph 3 (ix) of the Order is not applicable.
- (x) According to the information and explanations given to us, no fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
- (xi) According to the information and explanations given by the management, the provisions of the section 197 of the Act read with Schedule V to the Act are not applicable to the Company and hence the reporting under paragraph 3(xi) of the Order is not applicable.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares of fully or partly convertible debentures during the year.

- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934.

Annexure - B to the Independent Auditors' Report**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls with reference to financial statements of **GMR Hyderabad Aviation SEZ Limited** ("the Company") as of 31st March, 2019 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended and as at on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements.

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that,

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements.

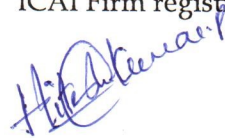

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31st March, 2019 based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Financial Statements for the year ended March 31, 2019

(All amounts in Rupees in lakhs, unless otherwise stated)

1. Corporate information

The Company was incorporated on December 4, 2007 as a wholly owned subsidiary of GMR Hyderabad International Airport Limited. The main objective of the company is to carry on the business of Development of Infrastructure for Special Economic Zone (SEZ) and Domestic Tariff Area including planning, designing, operating and marketing a SEZ in an existing airport and domestic tariff area.

These financial statements were authorized for issue in accordance with a resolution of the Board of Directors on April 23rd, 2019.

2. Significant accounting policies

2.1 Basis of preparation

The financial statements are prepared in accordance with Indian Accounting Standards (Ind AS), under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of Companies Act, 2013 (the 'Act') (to the extent notified). The Ind AS are prescribed under section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

2.2 Significant accounting judgments, estimates and assumptions

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

GMR Hyderabad Aviation SEZ Limited

CIN U45209TG2007PLC056527

Notes to the Financial Statements for the year ended March 31, 2019

(All amounts in Rupees in lakhs, unless otherwise stated)

2.3 Significant accounting policies

(a) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

(b) Foreign currencies

The financial statements are presented in INR (Indian rupees), which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

Transactions and balances

Transactions in foreign currencies are initially recorded by the Company at its functional currency spot rates at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognized in the statement of profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items

GMR Hyderabad Aviation SEZ Limited

Notes to the Financial Statements for the year ended March 31, 2019

(All amounts in Rupees in lakhs, unless otherwise stated)

whose fair value gain or loss is recognized in OCI or profit or loss are also recognized in OCI or profit or loss, respectively).

(c) Fair value measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

GMR Hyderabad Aviation SEZ Limited

CIN U45209TG2007PLC056527

Notes to the Financial Statements for the year ended March 31, 2019

(All amounts in Rupees in lakhs, unless otherwise stated)

(i) Taxes

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilized. Significant management judgement is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

(ii) Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments. See note 30 and 31 for further disclosures.

(iii) Depreciation on Property, Plant and Equipment

Depreciation on property, plant and equipment is calculated on a straight-line basis using the rates arrived at based on the useful lives estimated by the management. Considering the applicability of Schedule II of Companies Act, 2013, the management has re-estimated useful lives and residual values of all its property, plant and equipment. The management believes that depreciation rates currently used fairly reflect its estimate of the useful lives and residual values of property, plant and equipment.

(iv) Contingencies

Management judgement is required for estimating the possible inflow/outflow of resources, if any, in respect of contingencies/claims/litigations against the company/by the company as it is not possible to predict the outcome of pending matters with accuracy.

(v) Impairment of non- financial assets

Property, plant and equipment and Intangible assets are tested for impairment when events occur or changes in circumstances indicate that the recoverable amount of the cash generating unit is less than its carrying value. The recoverable amount of cash generating units is higher of value-in-use and fair value less cost to sell. The calculation involves use of significant estimates and assumptions which includes turnover and earnings multiples, growth rates and net margins used to calculate projected future cash flows, risk-adjusted discount rate, future economic and market conditions.

GMR Hyderabad Aviation SEZ Limited

CIN U45209TG2007PLC056527

Notes to the Financial Statements for the year ended March 31, 2019

(All amounts in Rupees in lakhs, unless otherwise stated)

(d) Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. The Company has concluded that it is the principal in all of its revenue arrangements since it is the primary obligor in all the revenue arrangements as it has pricing latitude and is also exposed to inventory and credit risks.

However, sales tax/ value added tax (VAT)/GST is not received by the Company on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue

The specific recognition criteria described below must also be met before revenue is recognized:

- **Rental income**

Rental income arising from operating leases is accounted for on a straight-line basis over the lease terms and is included in revenue in the statement of profit or loss due to its operating nature.

- **Interest income**

- For all debt instruments measured either at amortized cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. When calculating the effective interest rate, the group estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in finance income in the statement of profit and loss.
- For other than debt instruments, Interest income is accounted on a time proportion basis taking into account the amount outstanding and the rate applicable.

(e) Concession fee

The concession fee is computed as a percentage of income from land lease of the Company pursuant to the terms and conditions of the agreement and is recognized as charge to the Statement of profit and loss.

GMR Hyderabad Aviation SEZ Limited

CIN U45209TG2007PLC056527

Notes to the Financial Statements for the year ended March 31, 2019

(All amounts in Rupees in lakhs, unless otherwise stated)

(f) Taxes

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the Company operates and generates taxable income.

Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provision where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognized for all taxable temporary differences.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized, or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

GMR Hyderabad Aviation SEZ Limited

CIN U45209TG2007PLC056527

Notes to the Financial Statements for the year ended March 31, 2019

(All amounts in Rupees in lakhs, unless otherwise stated)

(g) Property, plant and equipment

The company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at March 31, 2015 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment as on April 01, 2015. (date of transition to Ind AS).

Capital work in progress includes cost of property, plant and equipment under installation / under development as at the balance sheet date.

Plant and equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognized in profit or loss as incurred.

Subsequent expenditure related to an item of property, plant and equipment is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance or extends its estimated useful life. All other expenses on existing property, plant and equipment, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets as follows:

Particulars	Useful lives as per Schedule-II of the Companies act 2013	Useful lives estimated by the management (years)
Buildings on leasehold land	30	30
Taxiways	Not Prescribed	30
Roads #	5	10
Plant and machinery	15	15
Electrical installations and equipment	10	10
Furniture and fittings	10	10
Office equipment	5	5
Computers and data processing units	3 or 6	3 or 6

The management has estimated, supported by independent assessment of professionals, the useful lives of the following class of assets.

#The useful lives of Roads – other than RCC are estimated as 10 years. This is higher than those indicated in schedule II

Leasehold improvements are amortized over shorter of estimated useful lives or lease period.

An item of property, plant and equipment and any significant part initially recognized is de-recognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising

GMR Hyderabad Aviation SEZ Limited

CIN U45209TG2007PLC056527

Notes to the Financial Statements for the year ended March 31, 2019

(All amounts in Rupees in lakhs, unless otherwise stated)

on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is de-recognized.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

(h) Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

For arrangements entered into prior to 1 April 2015, the Company has determined whether the arrangement contain lease on the basis of facts and circumstances existing on the date of transition.

(a) Company as a lessee:

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease.

Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term unless either.

- (i) another systematic basis is more representative of the time pattern of the user's benefit even if the payments to the lessors are not on that basis; or
- (ii) the payments to the lessor are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases. If payments to the lessor vary because of factors other than general inflation, then this condition is not met.

(b) Company as a lessor:

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognized on a straight-line basis over the term of the relevant lease period. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognized over the lease term on the same basis as rental income. Contingent rents are recognized as revenue in the period in which they are earned.

GMR Hyderabad Aviation SEZ Limited

CIN U45209TG2007PLC056527

Notes to the Financial Statements for the year ended March 31, 2019

(All amounts in Rupees in lakhs, unless otherwise stated)

Rental income from operating lease is recognized on a straight-line basis over the term of the relevant lease, unless either:

- (i) another systematic basis is more representative of the time pattern of the user's benefit even if the payments to the lessors are not on that basis; or
- (ii) the payments to the lessor are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases. If payments to the lessor vary because of factors other than general inflation, then this condition is not met.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

(i) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

(j) Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These

GMR Hyderabad Aviation SEZ Limited

CIN U45209TG2007PLC056527

Notes to the Financial Statements for the year ended March 31, 2019

(All amounts in Rupees in lakhs, unless otherwise stated)

calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

The Company bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Company's CGUs to which the individual assets are allocated.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the statement of profit and loss, except for properties previously revalued with the revaluation surplus taken to OCI. For such properties, the impairment is recognised in OCI up to the amount of any previous revaluation surplus. An assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior periods/ years. Such reversal is recognised in the statement of profit or loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

(k) Provisions

General

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

(l) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

i. Financial assets

(A) Initial recognition and measurement:

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame

GMR Hyderabad Aviation SEZ Limited

CIN U45209TG2007PLC056527

Notes to the Financial Statements for the year ended March 31, 2019

(All amounts in Rupees in lakhs, unless otherwise stated)

established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

(B) Subsequent measurement:

For purposes of subsequent measurement, financial assets are classified in to two categories:

- a. Equity investments measured at fair value through Profit and Loss.
- b. Debt instruments at amortized cost

(a) Equity investments:

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognized by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL. For all other equity instruments, the group may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

(b) Debt instruments at amortized cost:

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method.

GMR Hyderabad Aviation SEZ Limited

CIN U45209TG2007PLC056527

Notes to the Financial Statements for the year ended March 31, 2019

(All amounts in Rupees in lakhs, unless otherwise stated)

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the profit or loss. The losses arising from impairment are recognized in the profit or loss. This category generally applies to trade and other receivables.

(C) De-recognition:

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily de-recognized (i.e. removed from the Company's balance sheet) when:

- a) The rights to receive cash flows from the asset have expired, or
- b) The Company has transferred its rights to receive cash flows from the asset, and
- c) The Company has transferred substantially all the risks and rewards of the asset, or
- d) The Company has neither transferred nor retained substantially all the risks and rewards of the asset but has transferred control of the asset.

ii. Financial liabilities

(A) Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

(B) Subsequent measurement:

The measurement of financial liabilities depends on their classification, as described below:

(i) Loans and borrowings:

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

GMR Hyderabad Aviation SEZ Limited

CIN U45209TG2007PLC056527

Notes to the Financial Statements for the year ended March 31, 2019

(All amounts in Rupees in lakhs, unless otherwise stated)

(C) De-recognition:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

iii. Reclassification of financial assets

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognized gains, losses (including impairment gains or losses) or interest.

(m) Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

(n) Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent assets are only disclosed when it is probable that the economic benefits will flow to the entity.

(o) Earnings per share

Basic Earnings per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating Diluted Earnings per Share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

D. Outstanding guarantees at the end of the year:

Sl. No.	Related Party Transactions	As at March 31, 2019	As at March 31, 2018
(i)	<i>Corporate Guarantee availed from the Holding company against Loan taken from bankers:</i> GMR Hyderabad International Airport Limited	5,910.00	5970.00

30. Fair Values

Set out below, is a comparison by class of the carrying amounts and fair value of the Company's financial instruments, other than those with carrying amounts that are reasonable approximations of fair values:

Particulars	Carrying value		Fair value	
	March 31, 2019	March 31, 2018	March 31, 2019	March 31, 2018
Financial liabilities				
Security Deposits	1,120.81	648.07	215.15	119.30
Total	1,120.81	648.07	215.15	119.30
Financial Assets				
Investment in Mutual funds	440.04	2,085.06	440.85	2,088.95
Total	440.04	2,085.06	440.85	2,088.95

(A) Significant observable inputs used in estimating the fair values

- Long-term fixed-rate and variable-rate receivables/borrowings are evaluated by the Company based on parameters such as interest rates, specific country risk factors, individual creditworthiness of the customer and the risk characteristics of the financed project.
- Interest Rate factor has been considered at a rate of 11.44% p.a. by the company for discounting the Security deposit received from the customer as on or before March 31, 2018 and at the rate of 9.65% p.a. towards the security deposits received from April 01, 2018.

(B) Fair valuation techniques

The Company maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant data available. The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values:

- Fair value of cash and deposits, trade receivables, staff advances, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

GMR Hyderabad Aviation SEZ Limited

CIN U45209TG2007PLC056527

Notes to the Financial Statements for the year ended March 31, 2019

(All amounts in Rupees in lakhs, unless otherwise stated)

(C) Fair valuation hierarchy

The following table provides the fair value measurement hierarchy of Company's asset and liabilities, grouped into Level 1 to Level 3 as described below:

- (i) Quoted prices / published NAV (unadjusted) in active markets for identical assets or liabilities (level 1). It includes fair value of financial instruments traded in active markets and are based on quoted assets value (NAV) is published mutual fund operators at the balance sheet date.
- (ii) Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2). It includes fair value of the financial instruments that are not traded in an active market (for example, over-the-counter derivatives) is determined by using valuation techniques. These valuation techniques maximize the use of observable market data where it is available and rely as little as possible on the company specific estimates. If all significant inputs required to fair value an instrument are observable, then instrument is included in level 2.
- (iii) Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3). If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

The following table provides the fair value measurement hierarchy of Company's asset and liabilities, grouped into Level 1 to Level 3 as described below:

Particulars	As at March 31, 2019		
	Level-1	Level-2	Level-3
Financial Assets measured at FVTPL			
Investments in Mutual Funds	440.85	-	-

Particulars	As at March 31, 2018		
	Level-1	Level-2	Level-3
Financial Assets measured at FVTPL			
Investments in Mutual Funds	2,088.95	-	-

During the year ended March 31, 2019 and March 31, 2018, there were no transfers between Level 1 and Level 2 fair value measurements, and no transfer into and out of Level 3 fair value measurements.

31. Financial risk management objectives and policies

Financial Risk Management Framework

The Company is exposed primarily to Credit Risk, Liquidity Risk and Market risk (fluctuations in foreign currency exchange rates and interest rate), which may adversely impact the fair value of its financial instruments. The Company assesses the unpredictability of the financial environment and seeks to mitigate potential adverse effects on the financial performance of the Company.

GMR Hyderabad Aviation SEZ Limited

CIN U45209TG2007PLC056527

Notes to the Financial Statements for the year ended March 31, 2019

(All amounts in Rupees in lakhs, unless otherwise stated)

(i) Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks. Credit risk is controlled by analyzing credit limits and creditworthiness of customers on a continuous basis to whom the credit has been granted after obtaining necessary approvals for credit. Financial instruments that are subject to concentrations of credit risk principally consist of trade receivables, investments, derivative financial instruments, cash and cash equivalents, bank deposits and other financial assets. None of the financial instruments of the Company result in material concentration of credit risk.

Exposure to credit risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk was Rs 5,835.94 /- and Rs 5,071.56/- as of March 31, 2019 and March 31, 2018 respectively, being the total of the carrying amount of balances with trade receivables.

The total dues of the Company as at March 31, 2019 includes Rs.5,689.50/- (March 31, 2018 Rs. 4,938.66/-) from GMR Aerospace Engineering Limited (henceforth referred to as GAEL), a wholly owned subsidiary of the Company's holding company, M/s GMR Hyderabad International Airport Limited (GHIAL) and GMR Aero Technic Limited (henceforth referred to as GATL), which is a wholly owned subsidiary of GAEL. Out of the above dues from GAEL and GATL, an amount of Rs.5,184.61/- (March 31, 2018 Rs. 4,424.06/-) is outstanding for more than six months. Considering the nature of business of GATL and based on the business projections and contracts with Customer, management is confident that revenues of GATL and GAEL will improve, and the Company will be able to recover its dues. Further, GHIAL has committed the support to GAEL and GATL in meeting its operational and financial obligations. Based on business projections and contracts entered by the GATL with its customers and support letter from GHIAL, the management has considered its dues from GAEL and GATL are good of recovery and as such no provision has been made in the books of account.

As per the Group Policy, Company has not provided any loss allowance for Expected Credit Losses on Financial Instruments/Dues from Group Companies as no credit risk is involved forthwith.

(ii) Liquidity Risk

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities.

GMR Hyderabad Aviation SEZ Limited

CIN U45209TG2007PLC056527

Notes to the Financial Statements for the year ended March 31, 2019

(All amounts in Rupees in lakhs, unless otherwise stated)

The table below provides undiscounted cash flows towards long term borrowings and other financial liabilities into relevant maturities based on the remaining period at the balance sheet to the contractual maturity date:

Particulars	On demand	Less than 3 months	3 to 12 months	1 to 5 years	> 5 years	Total
As at March 31, 2019						
Borrowings	-	22.50	67.50	1,500.00	4,320.00	5,910.00
Trade payables	-	133.88	-	-	-	133.88
Other financial liabilities	-	189.14	-	-	1,120.81	1,309.94
Statutory dues	35.77	-	-	-	-	35.77
Total	35.77	345.52	67.50	1,500.00	5,440.81	7,389.59
As at March 31, 2018						
Borrowings	-	15.00	45.00	990.00	4,920.00	5,970.00
Trade payables	-	729.68	-	-	-	729.68
Other financial liabilities	-	364.32	-	-	648.07	1,012.39
Statutory dues	30.48	-	-	-	-	30.48
Total	30.48	1,109.00	45.00	990.00	5,568.07	7,742.55

(iii) Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in the foreign currency exchange rates, interest rates, credit, liquidity and other market changes. The Company's exposure to market risk is primarily on account of interest rate risk.

A) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of change in market interest rates. The company performs a comprehensive corporate interest rate management policy. As at March 31, 2019, 100% of the Company's borrowings are at a floating rate of interest.

With all other variables held constant, the following table demonstrates the impact of borrowing cost on floating rate portion of loans and borrowings.

Interest rate Sensitivity	Increase/Decrease in Basis points	Effect on Profit Before Tax
For the year ended March 31, 2019		
Term Loans	25	14.78
	-25	(14.78)
For the year ended March 31, 2018		
Term Loans	25	14.93
	-25	(14.93)

GMR Hyderabad Aviation SEZ Limited

CIN U45209TG2007PLC056527

Notes to the Financial Statements for the year ended March 31, 2019

(All amounts in Rupees in lakhs, unless otherwise stated)

32. Leases

Company as a lessee

The Company had taken land under non- cancellable operating leases with the GMR Hyderabad International Airport Limited under the Lease Agreement.

Future minimum rentals payable under non-cancellable operating leases are as follows:

Particulars	March 31, 2019	March 31, 2018
Due not later than one year	2.78	2.78
Due later than one year and not later than five years	11.11	11.11
Due later than five years	38.84	41.62

Company as a lessor

Company has sub-leased land to various parties under operating leases having a term of 20 to 50 years. The leases have varying terms, escalation clauses and renewal rights. On renewal, the terms of the leases are renegotiable.

Future minimum rentals receivable under non-cancellable operating leases are as follows:

Particulars	31-Mar-19	31-Mar-18
Within one year	1,592.87	1,216.93
After one year but not more than five years	6,562.97	5,277.73
More than five years	35,212.80	29,705.30

33. Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital, and all other equity reserves attributable to the equity holders. The primary objective of the Company's capital management is to maximize the shareholder value.

The Company manages its capital structure in consideration to the changes in economic conditions and the requirements of the financial covenants. The Company monitors capital using a gearing ratio, which is net debt divided by total capital. The Company's policy is to keep the gearing ratio at an optimum level to ensure that the debt covenant are complied with.

GMR Hyderabad Aviation SEZ Limited

CIN U45209TG2007PLC056527

Notes to the Financial Statements for the year ended March 31, 2019

(All amounts in Rupees in lakhs, unless otherwise stated)

Particulars	March 31, 2019	March 31, 2018
Borrowings including interest accrued on borrowing	5,910.00	5,970.00
Net debt	5,910.00	5,970.00
Equity Share Capital	5,160.00	5,160.00
Other Equity	9.24	383.51
Total Capital	5,169.24	5,543.51
Capital and borrowings	11,079.24	11,513.51
Gearing ratio (Net Debt/ Total Equity)	53.34%	51.85%

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current year.

No changes were made in the objectives, policies or processes for managing capital during the year ended March 31, 2019.

34. Details of dues to micro and small enterprises as defined under the MSMED Act, 2006:

Particulars	March 31, 2019	March 31, 2018
The principal amount and the interest due thereon remaining unpaid to any supplier as at the end of each accounting year:		
Principal amount due to micro and small enterprises;	-	-
Interest due on above.	-	-
Total	-	-
The amount of interest paid by the buyer in terms of section 16 of the MSMED Act 2006 along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year.	-	-
The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED Act, 2006	-	-
The amount of interest accrued and remaining unpaid at the end of each accounting year.	-	-
The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the MSMED Act 2006.	-	-

GMR Hyderabad Aviation SEZ Limited

CIN U45209TG2007PLC056527

Notes to the Financial Statements for the year ended March 31, 2019

(All amounts in Rupees in lakhs, unless otherwise stated)

35. Commitments and Contingencies

A. Contingent Liabilities:

- a. The Company had received Show Cause Notice dated July 17, 2015 from the Office of the Assistant Commissioner of Customs, Central Excise and Service Tax wherein service tax refund of Rs.0.78/- Lakh has been denied. Based on the internal assessment the management is confident that no provision is required to be made as at March 31, 2019.
- b. The Company had filed writ petition in Hon'ble High Court at Hyderabad against Order-In-Original passed by Commissioner of Central Tax on 20.02.2018 confirming the demand of Rs 1,197.11/- Lakh including a penalty of Rs 436.90/- Lakh in the matter of granting exemption of service tax under renting of immovable property services without obtaining Form A1 / A2 for the period from October 2011 to March 2016. The Hon'ble High Court had allowed the writ petition filed by us and setting aside the demand raised in the Order-in-original and as such the company is not required to make a provision as at March 31, 2019.

B. Commitments:

a. Capital Commitments:

Estimated Value of contracts remaining to be executed on capital account not provided for (Net of Advances) Rs. 909.18/- (March 31, 2018: Rs. 434.34/-).

- b. **Other Commitments:** Revenue share @ 25% of the lease rentals earned on land leased by the company is payable to GMR Hyderabad International Airport Limited.

36. Details of Un-Hedged foreign currency: Rs Nil (March 31 2018: Rs Nil)

37. The Chief Operating Decision Maker (CODM)/Executive management of the company monitors the operating results of its business as a single operating segment. As the company's revenues are generated from customers in India and all Non-Current operating assets are deployed in India, entity wide disclosures are not applicable.

38. The Company does not have any employees on its payroll as on March 31, 2019 (March 31, 2018: Nil). Accordingly, the Company does not have any obligation towards any Defined Benefit Plan or any Defined Contribution Plan as per IND AS 19 - Employee Benefits.

39. Amendments to Ind AS 12 - Recognition of Deferred Tax Assets for Unrealised Losses

The amendments clarify that an entity needs to consider whether tax law restricts the sources of taxable profits against which it may make deductions on the reversal of that deductible temporary difference. Furthermore, the amendments provide guidance on how an entity should determine future taxable profits and explain the circumstances in which taxable profit may include the recovery of some assets for more than their carrying amount.

GMR Hyderabad Aviation SEZ Limited

CIN U45209TG2007PLC056527

Notes to the Financial Statements for the year ended March 31, 2019

(All amounts in Rupees in lakhs, unless otherwise stated)

Entities are required to apply the amendments retrospectively. However, on initial application of the amendments, the change in the opening equity of the earliest comparative period may be recognised in opening retained earnings (or in another component of equity, as appropriate), without allocating the change between opening retained earnings and other components of equity. Entities applying this relief must disclose that fact.

These amendments are effective for annual periods beginning on or after 1 April 2018. These amendments have no impact on the company as the company has no deductible temporary differences or assets that are in the scope of the amendments.

40. Appendix B to Ind AS 21 Foreign Currency Transactions and Advance Consideration

The Appendix clarifies that, in determining the spot exchange rate to use on initial recognition of the related asset, expense or income (or part of it) on the derecognition of a non-monetary asset or non-monetary liability relating to advance consideration, the date of the transaction is the date on which an entity initially recognises the non-monetary asset or non-monetary liability arising from the advance consideration. If there are multiple payments or receipts in advance, then the entity must determine the transaction date for each payment or receipt of advance consideration.

Entities may apply the Appendix requirements on a fully retrospective basis. Alternatively, an entity may apply these requirements prospectively to all assets, expenses and income in its scope that are initially recognised on or after:

- (i) The beginning of the reporting period in which the entity first applies the Appendix, or
- (ii) The beginning of a prior reporting period presented as comparative information in the financial statements of the reporting period in which the entity first applies the Appendix.

The Appendix is effective for annual periods beginning on or after 1 April 2018. However, since the Company's current practice is in line with the Interpretation, the Company does not have any effect on its financial statements.

GMR Hyderabad Aviation SEZ Limited

CIN U45209TG2007PLC056527

Notes to the Financial Statements for the year ended March 31, 2019

(All amounts in Rupees in lakhs, unless otherwise stated)

41. Amendment to Ind AS 7

Effective April 1, 2017, the company adopted the amendment to Ind AS 7, which requires entities to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the balance sheet. The reconciliation is given as below:

S.no	Particulars	1-Apr-18	Cash Flows	Non Cash Changes		31-Mar-19
				Fair value	Others	
1	Long term Borrowings	5,886.88	(60.00)		10.28	5837.16

- 42.** Ind AS 115 Revenue from Contracts with Customers, mandatory for reporting periods beginning on or after April 1, 2018, replaces existing revenue recognition requirements. Under the modified retrospective approach, there were no significant adjustments required to the retained earnings at April 1, 2018. Also, the application of Ind AS 115 did not have any significant impact on recognition and measurement of revenue and related items in the financial results

43. Amendment to Indian Accounting Standards (Ind AS) issued but not yet effective

The amendments to standards that are issued, but not yet effective, up to the date of issuance of the financial statements are disclosed below. The Company intends to adopt these standards, if applicable, when they become effective.

Ministry of Corporate Affairs (MCA) has issued the Companies (Indian Accounting Standards) Amendment Rules, 2017 and Companies (Indian Accounting Standards) Amendment Rules, 2018 amending the following standard:

New Standard issued but not yet effective

Ind AS 116 Leases

On March 30, 2019, the Ministry of Corporate Affairs (MCA) issued the Companies (Indian Accounting Standards) Amendment Rules, 2019 which notified Ind AS 116, Leases. The amendment rules are effective from reporting periods beginning on or after April 1, 2019. This standard replaces current guidance in Ind AS 17 and is a far reaching change in accounting by lessees in particular.

Ind AS 116 sets out the principles for recognition, presentation and disclosure of leases and requires lessees to account for all leases under a single on-balance sheet model similar to accounting for finance leases under Ind AS 17. The objective is to ensure that lessees and lessors provide relevant information in a manner that faithfully represents those transactions. This information gives a basis for users of financial

GMR Hyderabad Aviation SEZ Limited

CIN U45209TG2007PLC056527

Notes to the Financial Statements for the year ended March 31, 2019

(All amounts in Rupees in lakhs, unless otherwise stated)

statements to assess the effect that leases have on the financial position, financial performance and cash flows of an entity.

Ind AS 116 requires lessees to recognize a 'right-of-use asset' and a 'lease liability' for almost all leasing arrangements. Lessor accounting under Ind AS 116 is substantially unchanged from today's accounting under Ind AS 17. The lessor still has to classify leases as either finance or operating.

Ind AS 116 is effective for the Group in the first quarter of fiscal year 2019 using either one of two methods:

(a) retrospectively to each prior reporting period presented in accordance with Ind AS 8 Accounting Policies, Changes in Accounting Estimates and Errors, with the option to elect certain practical expedients as defined within Ind AS 116 (the full retrospective method); or

(b) retrospectively with the cumulative effect of initially applying Ind AS 116 recognized at the date of initial application (April 01, 2019) and providing certain additional disclosures as defined in Ind AS 116 (the modified retrospective method).

The Company continues to evaluate the available transition methods and its contractual arrangements. The ultimate impact on leases resulting from the application of Ind AS 116 will be subject to assessments that are dependent on many variables, including, but not limited to, the terms of the contractual arrangements and the mix of business. The Company's considerations also include, but are not limited to, the comparability of its financial statements and the comparability within its industry from application of the new standard to its contractual arrangements. The Company has established an implementation team to implement Ind AS 116 related to leases and it continues to evaluate the changes to accounting system and processes, and additional disclosure requirements that may be necessary.

A reliable estimate of the quantitative impact of Ind AS 116 on the financial statements will only be possible once the implementation project has been completed.

Amendment to Ind AS 23: Borrowing Costs

The amendments clarify that an entity treats as part of general borrowings any borrowing originally made to develop a qualifying asset when substantially all of the activities necessary to prepare that asset for its intended use or sale are complete.

An entity applies those amendments to borrowing costs incurred on or after the beginning of the annual reporting period in which entity first applies those amendments. An entity applies those amendments for annual reporting periods beginning on or after April 1, 2019. Since the Company's current practice is in line with these amendments, the Company does not expect any effect on its financial statements.
