**Auditor's Report on Year to Date Results of GMR Enterprises Private Limited pursuant to the Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

To  
The Board of Directors  
GMR Enterprises Private Limited

We have audited the financial results of GMR Enterprises Private Limited for the year to date results for the year April 01, 2017 to March 31, 2018, attached herewith, being submitted by the company pursuant to the requirement of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

These financial results have been prepared on the basis of the financial statements, which are the responsibility of the company's management. Our responsibility is to express an opinion on these financial results based on our audit of such financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in Accounting Standards prescribed, under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder; or by the Institute of Chartered Accountants of India, as applicable and other accounting principles generally accepted in India.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement(s). An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.

We draw attention to Note 1 to the accompanying statement of audited financial results for the year ended March 31, 2018 in connection with its investment of Rs. 31,494.99 Lakhs in Preference shares, Rs. 0.20 Lakhs in Equity shares and Rs. 19,751.98 Lakhs Loan (including accrued interest) in GMR Holdings (Mauritius) Ltd (GHML) a step down subsidiary of the Company. GHML has an accumulated loss of USD 130.154 million as at 31<sup>st</sup> March' 2017 (equivalent of Rs. 85,381.27 Lakhs). The company, however, is confident of realising its investment in GHML as the realizable value of investment in the step down subsidiaries of GHML is expected to offset the accumulated losses over a period and will protect the shareholder's investment. Hence, no provision is considered by the company management for its investment in GHML. Our opinion is not qualified in respect of this matter.

In our opinion and to the best of our information and according to the explanations given to us these year to date financial results:

- (i) are presented in accordance with the requirements of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 in this regard; and

- (ii) give a true and fair view of the financial performance and other financial information for the year to date results for the period from April 01, 2017 to March 31, 2018.
